Definitions

- ¹ “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- ² “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- ³ “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- ⁴ “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- ⁵ “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- ⁶ “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- ⁷ “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- ⁸ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- ⁹ “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- ¹⁰ “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- ¹¹ “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your enrollment agreement including any equipment such as books, materials, and supplies, or any other goods related to the instruction offered in the Agreement, and obtain a refund of charges paid through attendance at the first class session, or seven (7) days after enrollment, whichever is later. Cancellation shall occur when you give notice of cancellation at the address of the school shown at the top of the front page of your enrollment agreement. You can also do this by mail, hand delivery, or email. The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. If you cancel this agreement, the school will not charge institutional charges; however, the school will retain the non-refundable \$75.00 registration fee and you may keep any uniforms that you have received.

Cancellation is not possible after the window periods described above. See the Withdrawing from your Course and Tuition Refund Policy sections for information about withdrawal from the school.
